RUGBY STARS AT YOUR SERVICE...

Scrum Sport can organise and book a rugby personality and/or a MC/Comperer for your event, function be it in a rugby club, hotel or even at your workplace. Our professional service will provide you with complete peace of mind, enabling you to focus on other details to make the occasion a complete success.

Would you like to know what motivates our greatest sporting heroes and makes them tick? It's easier – and less expensive – than you might think to book one of our personalities for your next event.

We have an impressive cross-section of rugby players and MC/Comperer's you can choose from and we take pride in our unique ability to tailor and provide rugby personalities to suit any client requirements - no matter how large, small or unusual the occasion may be.

At your disposal is the knowledge, creativity and experience of the most professional and informed team in the business - a team that sets the benchmark in terms of excellence and quality.

Our experienced consultants will help you identify the most suitable personality for your event. And we will do it for a competitive cost.
